

REGISTERING ON CIRC WEBSITE

Question: Is there any way to post article requirements on CIRC website without getting registered on website?

Answer: No. A member has to register on CIRC website for posting article requirement.

Question: How can we get register at CIRC website ?

Answer: At the bottom of the CIRC website (on grey strip) there is an option of "Register"

Question : What are the steps to register on CIRC website ?

Answer: Following is the process :

1. Click on "Register"
2. Member after entering and submitting the required details will receive a mail for verifying their email address. (Kindly Note that details should be the same as provided to the Institute)
3. After the email address is verified by a member he/she has to wait for manual approval done by office which is done after verifying details from official records.
3. Once approved, a Member will receive User Id and password for logging onto CIRC website. This will be used for posting requirements on the website and managing their profile on website which can be seen under Members --> Members Directory.
